WELCOME

# How to Solve

---

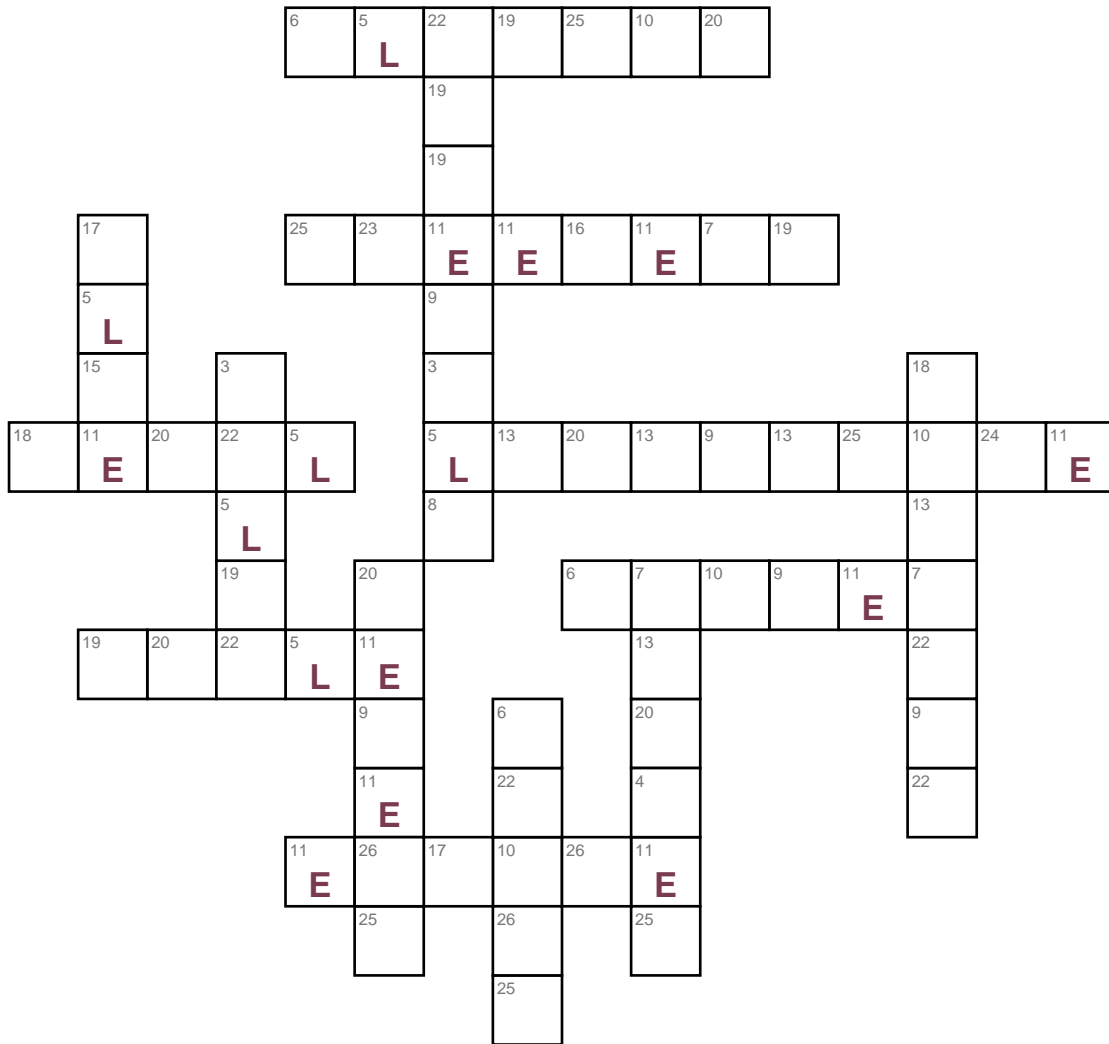

Every letter in the grid has been swapped for a number, the same number means the same letter, everywhere in the puzzle.

Two letters are given to start you off. Write them in wherever their numbers appear, then use word shapes and common letters to work out the rest. Cross letters off the A-Z row as you go.

Full answer grids are at the back of the book.

PUZZLE 1

# Crack the Grid
