

LARGE PRINT KALEIDOSCOPES

40 Bold Designs to Color · Puzzle Pines

Take Your Time

These 40 designs are printed with bold, large lines and plenty of open space, easy on the eyes and relaxing to fill in.

Use colored pencils, gel pens, fine markers, or crayons. Each design is printed on its own page, single-sided, so colors won't bleed through to the next one.

There's no right way, just breathe, color, and unwind.
