

# **COLORING FOR KIDS**

24 Big, Fun Pictures to Color

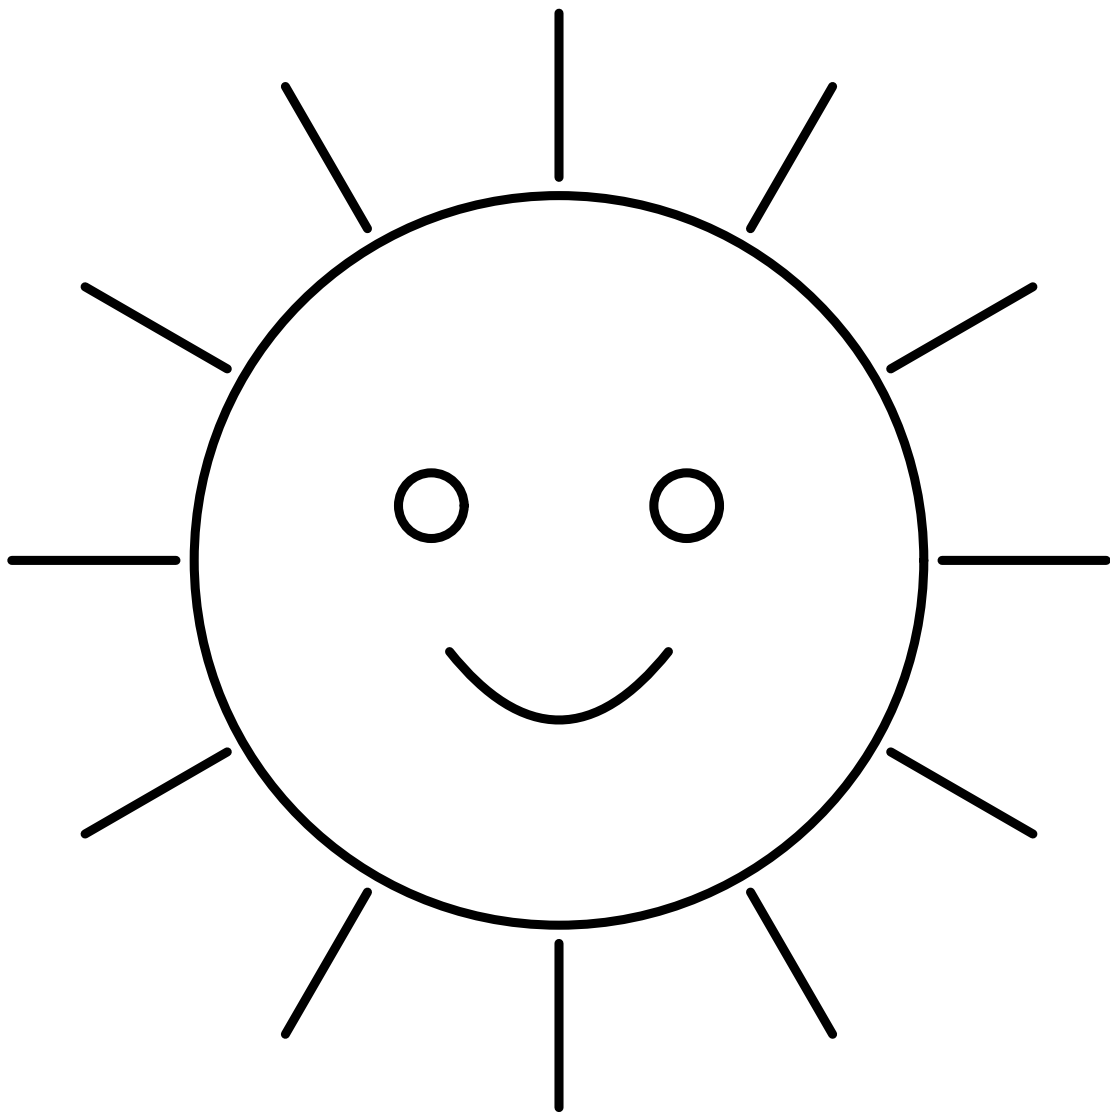

**Puzzle Pines**

# Let's Color!

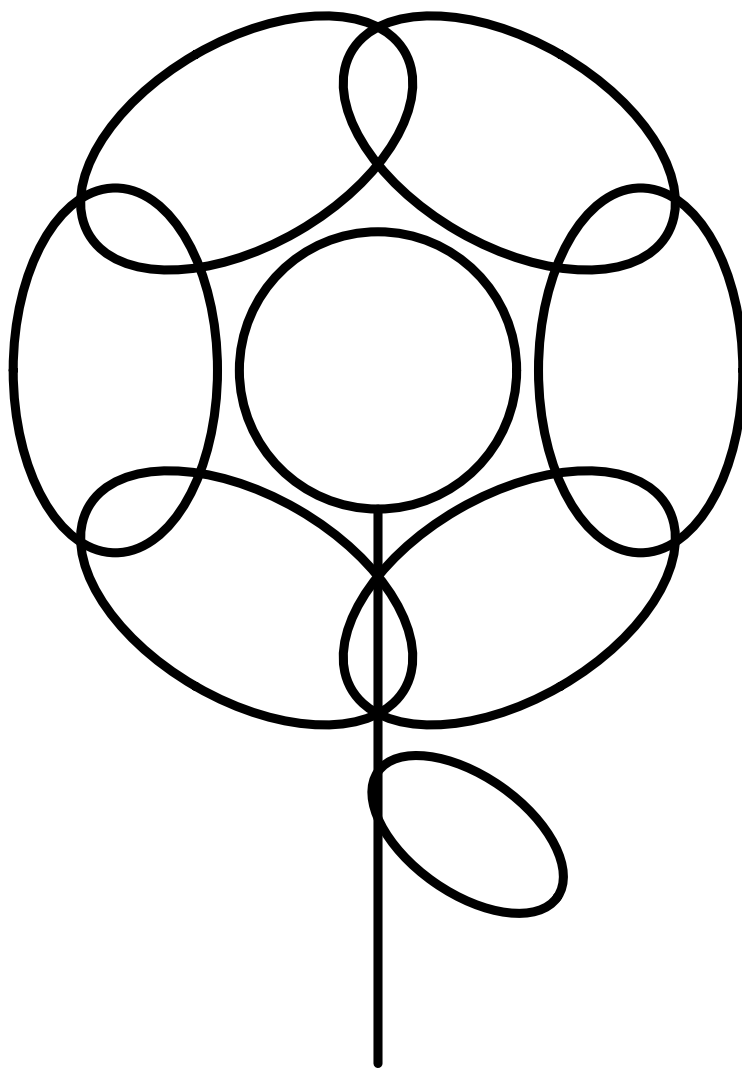

Every picture is big and bold with thick lines, easy to color inside, even for little hands.

Use crayons, colored pencils, or markers.  
Each picture is on its own page so colors won't bleed through.

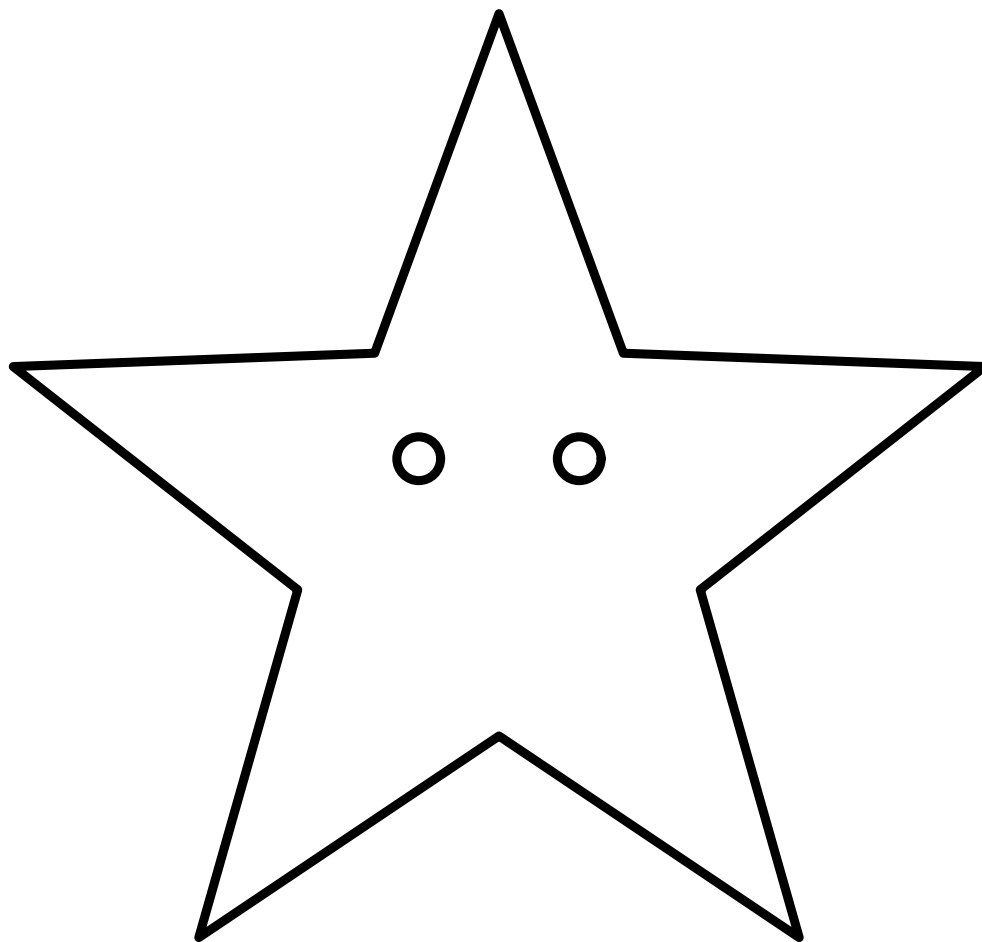

There's no wrong way to color. Have fun!

A Bright Sun

A Happy Flower

## A Shining Star
