# How to Play

---

Each puzzle hides a list of themed words inside the letter grid.

Words can run in any of eight directions:

- Left to right, and right to left
- Top to bottom, and bottom to top
- Diagonally, forward or backward

Circle each word as you find it, then cross it off the list.  
Spaces and punctuation are removed, look for the letters only.

When you get stuck, every answer is in the Solutions section  
at the back of the book.

Take your time, relax, and enjoy the hunt!
